

## **Road-e-o Practice Sessions for all Southwest Region Drivers**

I will have the entire course set up on Lakota's bus lot on the following Saturdays from 8:00 am – 4:00 pm.

Saturday March 25, 2017, Saturday April 8, 2017 and Saturday April 15, 2017

There will be experienced Road-e-o contestants there to help and support anyone who wants to participate in the Road-e-o. If you drive a conventional bus, you **must** provide your own bus, unfortunately Lakota does not have any full size conventional buses. We do have transit buses available for practice. We also have restrooms and vending machines available. This is your time to ask questions and practice.

If you have any questions or concerns, please call me!

I look forward to supporting you for a very successful 2017 Road-e-o.

Sincerely,  
Ken Stevenson
